Elections Guidelines

- Class Representatives must be of the class year they are running to present.
- Only School of Engineering students may sign petitions.
- If running for Class Representative, signatures must be from students of the class year.
- Only School of Engineering first-year students may vote.
- Campaigning is allowed any time prior to the start of voting. Campaigning may include but is not limited to flyers, posters, face-to-face contact, and digital messaging. Flyer's may not be placed on personal doors.
- The following forms of campaign are **NOT** allowed: use of public Rutgers listservs, repeated emails/messages through P2P websites (spamming).
- During election dates, active campaigning within 10ft of any polling location is prohibited. This includes dormitories, computer labs, and classrooms with internet access. Mass messaging of any form is not allowed during this time.
- No candidate may make posters, slogans, or any form of marketing that defame the name or character of any opposing candidates. Violators are subject to removal from the election as well as being in violation of University policies.
- Any candidate found violating any rules above or with unethical electioneering will be reviewed by the EGC's Internal Review Committee for eligibility to run.
