There will be twenty class reps that will be selected not elected. Seniors will have elections for class officers per former college December 11...these people will plan tradition events etc

Selection is based on credits

Class officers will serve on the graduation committee, anyone can be involved in class campuses it has nothing to do with affiliation.

There is nothing final on how professional students that stay longer than the regular 4 year period will be treated with regards to what class council they will sit on.
