Bill to recognize the Society of Manufacturing Engineers.

Whereas, the Engineering Governing Council (EGC) is the governing body responsible for overseeing and supporting the societies relating to the School of Engineering; and

Whereas, the Society of Manufacturing Engineers (SME) is a society dedicated to bringing information and students together to assist them with advancement of studies in Manufacturing Engineering at Rutgers University; and

Whereas, SME's goal is to bring awareness of manufacturing to all students, especially those interested in the manufacturing industry; and

Whereas, SME plans a series of tours to manufacturing and production sites, networking events with members, and assistance with internship searches; therefore

Be it hereby enacted, the Engineering Governing Council (EGC) recognizes the Society of Manufacturing Engineers as an official EGC society.
